Malibu Van compact**The everyday companion with short vehicle lengths of less than 6 metres**

- compact models with rear transverse bed and vehicle length of just 5.40 m or with lengthways single bed and vehicle length of just 6 m
- Flexible all-rounder, particularly suitable for urban areas and ideal for use as a second vehicle. Maximum comfort with extra-short vehicle length due to well thought-out, compact space allocation.
- Maximum suitability for everyday use thanks to compact exterior dimensions
- Outstanding payload reserves due to light vehicle weight
- Large, powerful 84 l compressor fridge integrated in galley kitchen
- Compact washroom with space-saving folding washbasin, swivel-away toilet and completely separable shower with stable sectional door
- Driver's cab overhead cabinet with front flap

Malibu Van comfort**The master of self-sufficiency**

- Maximum self-sufficiency and independence thanks to exclusive and ergonomically positioned 80 l absorber fridge with low power consumption and automatic energy source selection: Gas, 230V, 12V
- Comfort kitchen at an ergonomic height, large work surface thanks to flush worktop extension with one-handed operation in the entrance area and multifunctional washbasin cover, including wall holder. Extra-wide and extra-deep kitchen drawers with double locking
- Extra-deep and high universal wardrobe beneath the fridge.
Three internal drawers on the left-hand side and a separate wardrobe on the right-hand side
- Fully accessible passage from front to rear and extra-wide access to XL flexi-washroom "1000" thanks to the two-piece washroom sliding door
- Driver's cab overhead cabinet with front flap

Malibu Van diversity**All-rounder with XL kitchen comfort and generous feeling of spaciousness**

- Perfect spacious feeling thanks to open plan layout
- XL comfort kitchen with extra-large work surface thanks to flush worktop extension with one-handed operation in the entrance area, multifunctional washbasin cover and additional work and storage area above the fridge. Extra-wide and extra-deep kitchen drawers with double locking
- Universal combination cabinet with huge work and storage area and a powerful 84 l compressor fridge beneath
- Accessible and extra-wide passage from front to back and extra-wide access to the XL flexible washroom "1000" thanks to the two-piece washroom sliding door and space-saving universal combination cabinet
- Driver's cab overhead cabinet with front flap

Malibu Van first class - two rooms**Innovative layout with unique two-room concept and generous feeling of spaciousness**

- Perfect spacious feeling thanks to open plan layout
- Premium kitchen with 84 l compressor fridge in the entrance area, accessible from the outside and the inside, large work and storage area and universal tall cabinet
- Huge amount of storage space: Universal tall cabinet which can be individually used as a kitchen cabinet, wardrobe, or linen cupboard
- Two-room concept with changing room thanks to partitioning from the living area
- Driver's cab overhead cabinet with front flap

Malibu Van charming***Exclusive models on coupé or GT skyview version. With extended, exclusive "charming" standard equipment**

- Extended exterior decor with globe symbol and "charming" lettering
- Steering wheel and gear lever in leather, 16 inch Fiat Ducato alloy wheels, radiator grille in high gloss black, headlight frames in black, colour coded bumpers
- Additional storage compartment in overhead storage cabinet in entrance area
- LED ambient lighting upgrade: Indirect ambient lighting at driver and passenger sides, and LED ambient lighting in double floor of lounge seating area
- Technical panel in entrance area
- coupé with additional interior height in driver's cabin or GT skyview with additional large panoramic skylight

Malibu Van family-for-4 ^{16) 38)}**Four fully-fledged sleeping berths with pop-up roof with unique hybrid construction**

- GRP roof covering "Protect" to protect the pop-up roof from hailstones and external damage
- Four fully-fledged sleeping berths with sleeping area measuring 200 x 135 cm in the pop-up roof
- Malibu PREMIUM WINDOW in washroom for sufficient ventilation (not models 540 DB, 600 LE)
- Front rooftop spoiler for minimising wind noise (not GT skyview version)
- Pop-up roof with hybrid design, made from high-stability sandwich construction (GRP/RTM hard foam/aluminium and plastic design elements at the sides)
- Light weight of just 105 kg
- Also available as charming GT skyview and coupé

* not with Fiat Ducato f33

Highlights

Huge storage space with easy access

- Large storage compartment in double floor with hatch and hinges
- Large storage drawer at front side of seat bench, accessible from above
- Convenient access to seat bench storage compartment without removing the upholstery
- Large wardrobes in all model versions

- Integrated wooden cutlery insert
- Pull-out waste bin integrated in seat bench (not models 540 DB, 600 LE)

Fridge

- Models 540 DB / 600 LE: 84 l compressor fridge integrated in galley kitchen, optional extra battery recommended
- Models 600 DB / 640 LE: Exclusive 80 l absorber fridge for maximum self-sufficiency thanks to flexible energy source selection (12V / 230V / gas)
- Models 600 DB K / 640 LE K: 84 l compressor fridge integrated in universal combination cabinet, optional extra battery recommended
- Model 640 LE RB: 84 l compressor fridge in entrance area, accessible from inside and outside, optional extra battery recommended

Washroom | changing room**Changing room (model 640 LE RB)**

- Changing room with room partitioning door including swivel element for separating living area from changing room
- Swivelling washroom wall for additional freedom of movement

XL flexible washroom "1000" (not models 540 DB, 600 LE)

- Washroom with space saving, two-piece sliding door (not model 640 LE RB)
- Two sectional louvres for varied partitioning of the washroom (model 640 LE RB: additional partitioning of washroom from changing room)
- Toilet can be swivelled away for maximum use of space
- Shower head on chrome rail
- Washbasin base cabinet
- Micro-Heki skylight

Compact washroom (models 540 DB / 600 LE)

- One-level floor with level transition thanks to shower insert, additional freedom of movement when sectional shower door is open in front of the kitchen units
- Toilet which can be swivelled away and drop-down washbasin, room expansion for washing, showering or toilet function
- Mini-Heki skylight

Sleeping

- Two-part rear beds, heated, ventilated slatted frame across the entire vehicle width
- Easy access to bed thanks to removable access steps (model 540 DB with extra-low bed access without steps)
- Mini-Heki skylight above rear bed
- Window inner lining with microfibre for side window (model dependent) and rear doors
- Rear windows with cold and impact protection on the rear windows

Technology**Water**

- Water drain taps protected from frost and in an easily accessible location
- Water supply via immersion pump system

Gas

- Gas box in rear storage compartment, accessible from the rear doors (2 x 11 kg, model 540 DB: 2 x 5 kg)
- Gas isolation taps in kitchen area

Electrical system

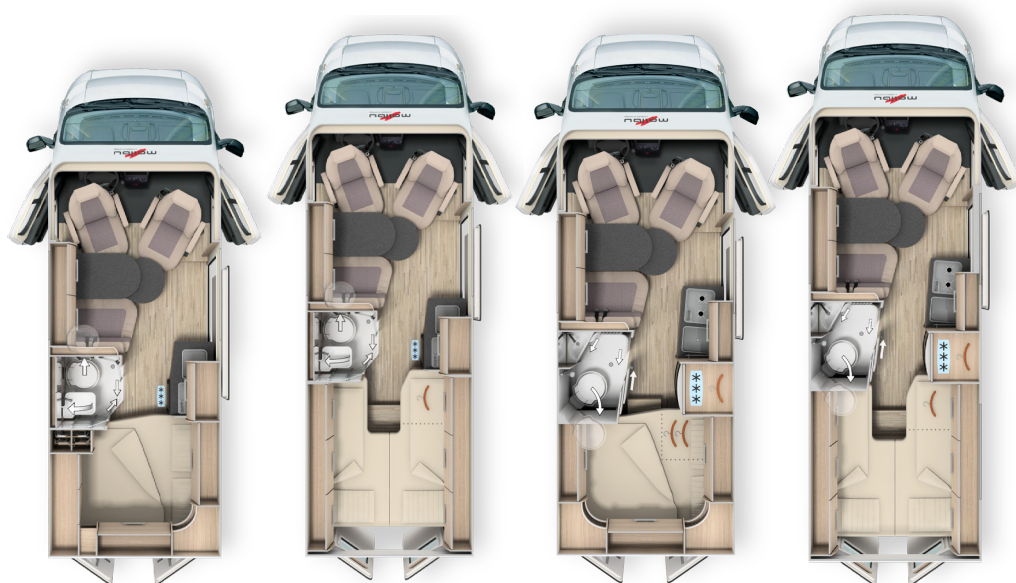

- Electric centre beneath passengers seat
- 230 V socket in kitchen, washroom and entrance area (model 640 LE RB: kitchen, washroom)
- 12 V socket in driver's cabin
- Double USB socket in driver's cabin
- Exterior 230 V power supply via exterior socket
- 18 A automatic charger, electronic regulation, switches off automatically when voltage too low, includes vehicle battery charging function
- Multifunctional panel above entrance door

Living area lighting system

- Numerous LED spotlights throughout the living area
- Kitchen unit with exterior LED accent light strip and Malibu branding in chrome
- Indirect accent lighting in entrance area
- Main light and ambient lighting can be switched separately

○ = special equipment X = standard equipment - = not possible ● = included in package

- 1) Multimedia centre option with touch screen in driver's cabin, monitor function for optional reversing camera, Wireless Apple CarPlay / Android Auto, Bluetooth, USB interface for connecting portable devices. Not in conjunction with Fiat Infotainment package.
- 2) TV with receiver and DVB-T2 tuner (incl. USB, HDMI, Full HD). TV position above lounge seating group on washroom wall. Designer shelf above lounge seating group omitted with 24" LED flat screen.
- 3) Retrofitting cost is significantly higher.
- 4) Kitchen centre upgrade: Doors in matt ivory, work area extension, divided sink cover with chopping board. Models 600 DB, 640 LE with wall holder. Model 640 LE RB: without work area extension.
- 5) Option Fiat Ducato f40 incl. 16 inch steel wheels, not in combination with mud flaps option.
- 6) The mud flaps option is not available in combination with Fiat Ducato f40 and lacquered bumpers.
- 7) The weight in a roadworthy condition is defined by ordinance (EU) 1230/2012 including basic equipment (driver 75 kg, 90% fuel, 20 l of fresh water, 1 aluminium gas bottle and electrical connection cables) in the standard version. The weight in roadworthy condition changes due to the installation of extras and special equipment. Deviations of up to 5 % are possible and permitted in the weight specifications.
- 8) When selecting a driver's assistance package, there is a cut-out for the camera casing in the camera position area (top centre) for the driver's cabin blackout system.
- 9) Child seats with retention systems may not be used on the passenger seat.
- 10) Removable double floor in rear storage compartment with limited access, support load (surface load) max. 95 kg.
- 11) The optional lithium ion batteries replace the standard gel battery/batteries. Battery status indication can be called up using free Android and iOS app and touch display.
- 12) The charge booster is incorporated between the alternator and the starter / main cabin battery and ensures that the alternator produces electricity until the batteries are charged while travelling.
- 13) In the event of unfavourable conditions, manual readjustment of the air conditioning system may be necessary.
- 14) 9G automatic gearbox not possible for f33 chassis version and 120 HP engine version. With f35 chassis variant, only possible in conjunction with 16 inch steel wheels or 16 inch alloy wheels.
- 15) Coupled load 2,500 kg taking total towing weight into consideration, chassis version f33 5,800 kg, f35 6,000 kg and f40 6,500 kg.
- 16) Family-for-4 model with hybrid pop-up roof: The standard skylights above the seating group and in the washroom are omitted. Hybrid pop-up roof only in conjunction with Malibu PREMIUM WINDOW option in washroom (except compact models) and at least the f35 chassis version. Not possible in combination with conversion kit for converting seating group to sleeping berth, wiring for solar power, wiring for satellite, Teleco-Flatsat 65 satellite system. Models 540 DB and 600 LE have forced ventilation at the passenger side.
- 17) Position of retaining clips for DB awning crank: Above rear storage compartment; LE: in rear storage compartment, awning housing: Aluminium anthracite.
- 18) The fresh water volume given already includes the volume of the boiler.
- 19) Recommended with model 540 DB.
- 20) Option of porthole window: The windows at the driver's side will not open. Porthole window not in conjunction with Malibu PREMIUM WINDOW at passenger side in rear bed area. Models 640 LE / 640 LE RB / 640 LE K: Porthole windows replace the standard Malibu PREMIUM WINDOW at the passenger side.
- 21) 4-cylinder engine with 2.2 l. 140 HP engine: 350 / 380 Nm, 160 PS engine: 380 / 400 Nm, 180 PS engine: 380 / 450 Nm.
- 22) Multi-functional steering wheel option only possible in combination with radio or media centre or in Fiat Infotainment package.
- 23) LED daytime driving lights option not possible in conjunction with Fiat full LED headlights, since they are already included.
- 24) Socket package option: USB socket on underside of overhead storage cabinet and 230 V socket beneath rear bed directly in front of the storage compartment and therefore accessible from the living area and the rear storage compartment.
- 25) Additional 80 Ah Gel battery option: Recommended for models 540 DB, 600 LE, 600 DB K, 640 LE K, 640 LE RB.
- 26) Additional battery recommended.
- 27) Radio/moniceiver option with touch screen in driver's cabin, Bluetooth, monitor function for optional reversing camera and USB interface for connecting portable devices. Not in conjunction with Fiat Infotainment package.
- 28) Turin world of style: Furniture finish with bicolor look in Wild Pear decor, bottom of overhead storage cabinet in matt ivory.
- 29) Cherry Style world of style: Furniture finish with bicolor look in Noble Cherry decor and high gloss ivory doors with wood applications, bottom of overhead storage compartment in matt ivory.
- 30) Only possible in combination with radio, media centre or in Fiat Infotainment package. Reversing camera in conjunction with infotainment package, digital instead of analogue.
- 31) Fitted at rear side of kitchen.
- 32) Malibu table and chair set option, consisting of two camping chairs incl. Malibu logo, carry bags and a table.
- 33) Available from Nov. 2021.
- 34) Speakers in driver's cabin (2x) and lounge seating group (2x).
- 35) Malibu world of sleep & deco-set consisting of: One or three decorative cushions (depending on the model), a Jacquard house blanket with woven-in Malibu logo and a fitted sheet set with exact fit for the respective model.
- 36) It is advisable to order the gas filter in conjunction with the Truma DuoControl CS option, since the manufacturer of the Truma DuoControl invalidates the warranty if the gas pressure regulator and valves become defective or damaged because of oil or other foreign materials in the liquid gas.
- 37) Only in conjunction with at least the 140 HP engine version.
- 38) The standard Mini-Heki in the rear area is replaced by a Micro-Heki in the family-for-4 hybrid pop-up roof model 600 LE / 600 DB K. The Mini-Heki is omitted in model 540 DB.
- 39) State-of-the-art multimedia system with 10.1" display, Bluetooth connectivity with audio streaming and hands-free function, Smartphone integration via Android Auto or Apple CarPlay, USB interface for connecting portable devices.
- 40) Digital instrument cluster with colour display for optimum networking with the Fiat 10.1" multimedia system for display of 3D navigation maps and driver assistance systems.
- 41) Due to a limitation in the selection of exterior colours from Fiat, we reserve the right to make colour changes stipulated by the basic vehicle manufacturer. Your dealer will notify you promptly if this occurs.
- 42) Sleeping area extension with models 640 LE, 640 LE K available from October 2021.
- 43) The prices are recommended retail prices. Because of the cost and price developments on the procurement markets, which are extremely volatile and can therefore not be calculated over the long term, the right is reserved to adjust our prices to our dealers and also make an appropriate price adjustment to our recommended retail prices. Of course, we endeavour to pass on appropriate pricing to the market at all times. You are advised to consult your dealer about the price that applies at the point in time when the contract is concluded.
- 44) Not available in conjunction with the Fiat Infotainment package.

General Notes

- Some vehicles are shown with special equipment which is available at extra cost.
- This information is subject to price, design and equipment modifications and also errors. The details concerning scope of supply, appearance and performance correspond to the state of knowledge at the time of printing.
- If our suppliers change product designations during the season, we reserve the right to deliver a part type of equivalent value.
- Price, dimensions and weights subject to change. The current rate of VAT at the time of delivery shall be valid. All prices are non-binding recommended prices ex factory. In the case of price adjustments by sub-contractors or basic vehicle manufacturers, the prices will be modified accordingly.
- Weight information is approximate. Weight deviations of up to 5% are possible and permitted.
- Special features always increase the empty weight and reduce the remaining load capacity.
- The installation of optional extras can result in loss of storage space.
- The option of mounting solar energy and satellite systems depends on the occupation of the roof area.
- Any change to the ex-works condition of your vehicle can have a negative effect on driving quality and road worthiness.
- Any structural alteration to the vehicle renders liability claims void. The same applies if the customer alters the finish/colour of chassis parts.
- Some special features can not be installed in all models. Your Malibu dealer would be pleased to inform you about installation and technical details regarding the model you require.
- Prices for optional extras apply to ex works installation (not retrofitting). These extras must be ordered in good time before the vehicle goes into production. For information about this, please contact your Malibu dealer directly.
- Deviations from the textures and colours in the illustrations are permitted in as far as they are due to the nature of the materials used and/or are usual in the trade. The same applies to technical changes to the vehicle as long as the overall product quality remains the same or is improved, and the intended use is not affected.
- It is possible that inferior-quality clothing can leave marks on the seat covers. This means that the seat covers are discoloured or the dye from the fabrics rubs off. We do not accept any liability for this kind of discolouration.
- We recommend always using Malibu accessories and having them installed in our factory. We do not accept any liability for damage caused by products that are not approved by Malibu or by non-permitted modifications. This particularly applies to the installation of parts by workshops that are not authorised by Malibu. You should therefore always have repairs or retrofits carried out by authorised Malibu trading partners and insist on genuine Malibu accessories.
- The water supply system that is installed corresponds to the state of technology in accordance with DIN 2001-2.

Changes may occur during the model year after the editorial deadline for this printed document in July 2021. The manufacturer reserves the right to make structural and design changes that become necessary, provided they are in the interest of technical progress and are reasonable for the customer, plus changes to equipment, differences in colour combinations or individual colour shades, material quality differences and changes to the scope of delivery on the part of the manufacturer. This also applies to colour differences on basic vehicles, insofar as they are a result of changes made by the basic vehicle manufacturer. Please consult your dealer for detailed advice concerning the status of the current product or series.

The information about the scope of delivery, appearance, performance, dimensions and weights of the vehicles (differences within the scope of the factory tolerances ($\pm 5\%$ max.) are possible and permissible) corresponds to the state of knowledge at the time of going to print.

Reprinting of this document, or even extracts thereof, is only permitted if written authorisation is obtained from Malibu GmbH & Co. KG beforehand. The information in this publication is compliant with the German StVO and StVZO (road traffic and road traffic licensing regulations). No liability accepted for errors and/or misprints.
