# MALIBU VAN MODEL OVERVIEW

Diversity is the order of the day in the Malibu Van! The three Malibu Van compact, comfort and diversity model variants are each available in two lengths, plus the first class – two rooms, i.e. seven basic models in total. Five of these basic models are available with the unique hybrid family-for-4 hybrid pop-up roof. Five models are also available with Exclusive line charming in a coupé or GT skyview version. If you multiply this by the respective two or even three worlds

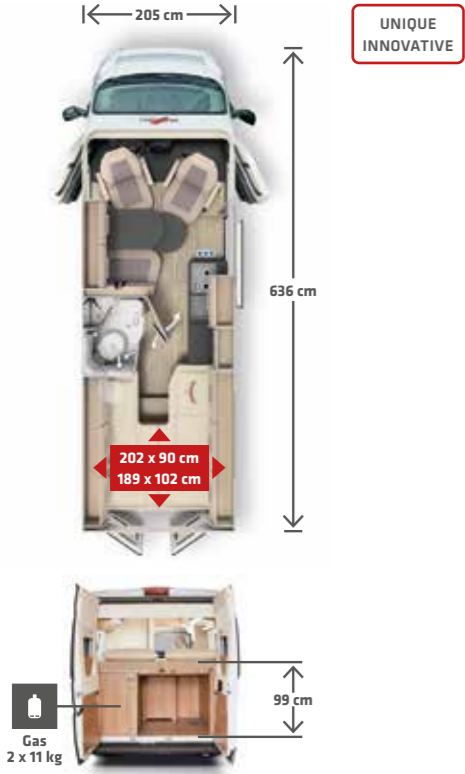

of style, you arrive at a fascinating range of more than 50 model variants. The upholstery also comes in about a dozen different material and leather versions. You'll therefore seldom find a Malibu Van which is the same as any other. The individual Van – a reality with Malibu.
